Carnaby's annual show is due to take place on Saturday, July 4, 2020 at the Grange Theatre in Oldham

The Oldham-based Carnaby School of Dance is defying what could have seen the Coronavirus crisis shutting them down by taking 150 students (adults and children) on to virtual dance classes across 45 Zoom meetings.

Carnaby School of Dance teachers are now attempting to commence show rehearsals for their upcoming and ever-popular annual show courtesy of virtual dance classes.

The annual show is due to take place on Saturday, July 4, 2020 at the Grange Theatre in Oldham.

One of the dancers' parents said: "Carnaby School of Dance is such a large part of our daughter's life.

"She was devastated at the thought of the school having to close, even short-term, so when they decided to take all dance classes online, she was thrilled!"
